FEATURES & DESIGN
DESK / TYPE-1

- 1. The one-piece desktop & the unique asymmetric shape provide an expansive surface.
- 2. Each side panel is surrounded by a contrasting brushed-aluminum frame that is both crisp and striking.
- 3. The modesty panel has two choices either wood or opaque painted glass.
- 4. Desk type 1, configured in an "L" or desk type 2 in either an "L" or "U", provides lots of storage space below the surface of the return. This storage cabinet is slightly recessed to keep the work surface unobstructed.

DESK / TYPE-2

- 1. The main work surface is covered with top-quality microfiber leather for outstanding durability and touch.
- 2. The main work surface can easily slide open to access the wire management ducting underneath.
- 3. The inward-tapered desktop edges have been smoothly rounded and lacquered to create a hand-finished appearance.
- 4. The Pedestal drawers are equipped with damping under the hidden rails to prevent noise or impact when closing.

COMMUNICATION ZONE

The development of IT technology enabled us to communicate easily through laptops or smart phones even in different spaces. At the same time, the culture of individuals choosing their own places to work and work autonomously is settling. Fursys system proposes an environment for sharing opinions in a bright and pleasant space while providing a combined, mobile conferencing solution that effectively supports the use of various IT devices.

BECONN series

BECONN은 심플하면서 날렵한 디자인, 작은 공간에도 잘 맞는 컴팩트한 사이즈에 다양한 스타일로 협업공간을 연출하고, 디스플레이 장비와 편리한 배선 시스템으로 IT기기를 활용하여 보다 효과적으로 협업 할 수 있도록 도와줍니다.

With simple but sharp design, the BeConn series creates a space for collaboration. It enables more effective collaboration through utilizing IT devices such as display equipment and convenient wiring system.
